**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am 66 years old and survive on my Social Security which is below poverty guidelines. I have used broadband, wi-fi and every low cost alternative possible for the last 10 years. At this point in time my Wi-Fi supplies my connection for both computer and Television. I cannot afford to subscribe to phone companies or cable companies. Please keep the broadband available for the masses of low income people in our country. Email should be free too. I have been a Gorge Net customer for many (15 or more)years now.
Help keep our freedoms free.
